May 1, 2020

Dear Flemington-Raritan Regional School District Parents,

May has arrived, but sadly our children remain at home. No words can express how much we miss our students, how we long for them to return to school where they belong. As New Jersey grapples with how to re-open, our district continues to address our immediate needs. We focus every effort on ensuring our students access, participate in, and thrive in their online learning and that all children receive food and nutrition during our school closure.

The district has maintained that it would continue to re-evaluate the food and nutrition meal distribution process and adjust to meet the needs of our families. Beginning Monday, May 4, our district is offering free meals to **ALL** Flemington-Raritan students and their siblings, who are under the age of 18. Every Monday thereafter for the remainder of our school closure for those that are eligible for free and reduced-price meals and those families experiencing hardship, meals will be available.

The district has decided to expand our support for nutrition and meals to all families, continuing to support families that are eligible for free and reduced meals and extend to additional families that are experiencing hardship. If your family is experiencing hardship due to COVID-19, you are also eligible for meals. All families who participate in meal pick up need only share their child's name and the school the child attends or the area school closest to their home.

Meals can be picked up at Reading-Fleming Intermediate School at 50 Court Street every Monday from 8:30 a.m. until 12:30 p.m. Meal pick up is also available at the school nearest to you every Monday during home instruction, during the time slots below.

9:00 - 9:30 a.m. at Copper Hill School
9:45 - 10:15 a.m. at Barley Sheaf School
10:30 - 11 a.m. at Francis A. Desmares School
11:15 - 11:45 a.m. at Robert Hunter School

At Copper Hill Elementary, Barley Sheaf Elementary, Francis A. Desmares Elementary School, and Robert Hunter Elementary School, meals are distributed from a district vehicle with the Flemington-Raritan School District's logo on the district vehicle. Look for the district vehicle in the parking lot.

During meal pick up, all participants, with the exception of those under the age of two, and those with a medical reason not to wear a facial covering must adhere to the governor's executive order to wear a mask covering their nose and mouth and maintain social distancing of six-feet from others that do not reside in their own home.

As always, I wish you and your family the very best. Please be well.

Sincerely,

Dr. Kari McGann
Superintendent of Schools
Flemington-Raritan Regional School District
