November 10, 2020

Dear Flemington-Raritan Regional School District Parents and Community Members,

This District received a notice of a positive COVID-19 case of a student at J.P. Case Middle School. The student was last present in school on Wednesday, November 4, 2020.

There has been no recommendation from the Department of Health to alter our schedule for in-person learning. We continue to follow very specific procedures with our partners at the Department of Health and are not able to share any additional identifying information about any positive cases. The DOH will contact anyone who has been in close contact with an ill person with quarantine instructions.

We must follow very specific procedures with our partners at the DOH and are not able to share any additional identifying information about any positive cases. The DOH will contact anyone who has been in close contact with an ill person with quarantine instructions within 24 hours. If a student or an employee is given quarantine instructions, the student or the employee will be required to stay home and quarantine for at least 14 days. For students, this means they may not come to school on in-person instruction days during the quarantine period. The student will have access to our remote instruction program during this time.

COVID-19 has the following symptoms: fever (temperature of 100.4 or greater) or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, a new loss of taste or smell, sore throat, congestion, or runny nose, nausea or vomiting, and diarrhea. If children experience any of these symptoms, it is critical for them to stay home from school. If you have any questions about symptoms or any other concerns for you or your child, please consult your physician.

Please continue to make healthy choices that will keep your family and our school community healthy and safe. My best to all of our families and my hope that you are all happy, safe, and healthy.

Wishing you good health,

A handwritten signature in blue ink that reads "Kari McGann".

Dr. Kari McGann
