Visitors are not permitted in the building. No need to check in at the Main Office.

**We are incredibly grateful for your ongoing support!**

Thanks to your participation and generosity throughout this year, we've raised enough funds through some of our highest fundraisers, including:

Cougar Clubs  
Book Fair & Holiday Shop  
Gertrude Hawk Sales  
Clothing Drive  
Holiday Family Photos

**Because of this success, we have ample PTO funds and will not be using this year's Walk-a-Thon as a fundraiser. Instead, we are excited to continue holding the Walk-a-Thon as a fun and active event for our students to enjoy!**

A portion of the money raised last year was intended for a new digital sign, but due to a change in location, the cost of the sign was lower than anticipated. This, along with your amazing fundraising efforts, has allowed us to continue supporting important school initiatives, such as

End-of-Year Party  
4th Grade Trip  
Assemblies  
Teacher Grants  
Teacher Appreciation  
And more exciting programs!

**We truly appreciate your involvement!  
Please share your thoughts and suggestions with us!**

Thank you again for being part of our school community.  
Together, we're making a difference!
