

Our vision is to provide a fun and creative atmosphere where children and adults can enjoy a unique experience on a farm setting for painting and crafting sessions. We offer public and private sessions that can be held inside the two story studio or also outside on the farm when the weather cooperates. However, our favorite sessions are our fundraiser sessions that help give back to the schools, organizations, and our community.

For the past nine years, we have been voted as the Best Private Party in Hunterdon County. A few of the sessions we offer are: Children's Birthday Parties, Adult Birthday Parties, Summer Camp Sessions, Art After School Classes, Mommy & Me Sessions, Corporate Team Building, Family Sessions, Boy/Girl Scout Events, Psychic Paint Parties, Team Sport Sessions, School Fundraiser Events, and more! You name it, and we will host it!
