

Robert Hunter PTO After School Enrichment Program - Registration begins Sunday, January 12th(9:00pm)

Online enrollment opens on Sunday, January 12th (9:00pm) for students who have not participated in that specific club prior. Enrollment opens for ALL returning students on Monday, January 13th (6:00am) and closes Wednesday, January 15th(11:59pm).

Visit <https://roberthunterelem.membershiptoolkit.com> to register!

****All classes will run at the school on the below dates from 3:45-4:45 pm****

Course	Grades	Course Description	Instructor	Duration	Dates	Cost
Building with Stem Toys	PreK-2	Students can think creatively, use their imagination, and problem solve while having fun using STEM toys to build with others.	Ms. Edelsberg & Mrs. McPeek	6 weeks	Mondays 1/27, 2/3, 2/10, 2/24, 3/3, 3/10	\$50
Busy Builders	K-2	Build with blocks, Legos and more! Put your building hats on! Students will engage and collaborate to build structures using different materials.	Mrs. Zarzecki	4 weeks	Mondays 2/10, 2/24, 3/3, 3/10	\$40
Creative Building & Contraptions	2-4	The possibilities are endless when you build with small, wooden planks! Build ball track structures like ramps, funnels and chutes. Then test your contraption using a ball to see how it worked! Work with others to design your own creation and make changes to make it better or different. You'll have big fun with these small planks!!	Mrs. St. Thomas	5 weeks	Wednesdays 2/12, 2/19, 2/26, 3/5, 3/12	\$45
Greatness Kids	3-4	Students have the opportunity to take on a leadership role within the school by learning the Nurtured Heart Approach (approach that all staff members have been trained in). Focus will be on recognitions and being able to recognize positive qualities in others. By the end of the 6 weeks, all students that participate will become "Nurtured Heart Ambassadors" and will receive a certificate.	Mrs. Del Duca & Ms. Kubu (Señorita K)	6 weeks	Thursdays 2/6, 2/13, 2/20, 2/27, 3/6, 3/13	\$50
Chess Club	K-4	Did you know that studies have shown that playing chess has been shown to help children improve overall in their grades, test scores and thinking abilities? Come join the chess club to learn more about the game and practice your skills. All levels are welcome!	Mr. Moledo, Flemington Chess Club	7 weeks	Fridays 1/31, 2/7, 2/21, 2/28, 3/7, 3/21, 3/28	\$60
