- I. Call to Order by the Board President.
- II. Sunshine Law

Be advised that this meeting is being held in accordance with the Open Public Meetings Act, Chapter 231 P.L. 1975 (Sunshine Law) and that adequate notice of the date, time and agenda has been sent to the <u>Hunterdon County Democrat</u> and/or <u>The Courier-News</u>, and has been posted and filed with the Flemington Borough Clerk and the Raritan Township Clerk.

- III. Roll Call
- IV. Pledge of Allegiance
- V. District Mission Statement

The Flemington-Raritan Regional Schools provides our students with an exceptional education, empowering them to become problem solvers, collaborators and critical thinkers. The district creates a culture in which students act responsibly and communicate effectively in preparing to become productive citizens in a changing, global society. It is the expectation of the Flemington-Raritan Regional School District that all pupils achieve the New Jersey Core Curriculum Content Standards at all grade levels.

- VI. Approval of Minutes Regular Meeting October 8, 2012
- VII. Board Recognitions The Board of Education congratulates Francis A. Desmares School for receiving the Bronze Award in the HealthierUS School Challenge. On October 4, representatives from the U.S. Department of Agriculture and the NJ Department of Agriculture attended an assembly where school officials were presented with a plaque and a \$500 check.

The Board of Education acknowledges and honors Barbara Castelli, our district's Food Service Director, for taking the initiative to apply for the grant. Mrs. Castelli planned and implemented programs to comply with the grant. She also completed the application forms and took great strides to ensure that our district met specific requirements. We applaud Mrs. Castelli for her efforts. We commend her and the Maschio's staff for their hard work and dedication to this effort and for our district's exemplary food service program.

The Board of Education also recognizes the students and staff of Francis A. Desmares School. Tonight, we honor Principal Carol Howell, Vice Principal Mark Masessa and School Nurse Kathy Schilder on behalf of all students, teachers and support staff. The Board recognizes and applauds their efforts to promote good health, nutrition and physical activity among all students. We also commend the school for its achievement in growing and maintaining the Desmares School Garden. Each classroom takes part in planting and maintaining a section of the garden, creating hands-on learning opportunities for students. Through Maschio's Food Service, vegetables harvested from the garden are incorporated into school lunches for children to enjoy. Students also sample recipes prepared by guest chefs through live cooking demonstrations in the "Chefs Move to School" effort, which is part of the federal "Let's Move" program. In addition, the garden promotes connections among our community. Produce grown in the summer is donated to the Flemington Food Pantry and Hunterdon Hispanos.

Once again, we congratulate Mrs. Castelli, the Maschio's staff and Francis A. Desmares School!
