

Hunterdon Hospice
is excited to announce

YOUTH ART BEREAVEMENT PROGRAM

Open to all Children & Teens

(K through 12th grade)

who have experienced the loss of a loved one.

This 10-week program, led by clinicians and volunteers, will use the medium of art to help children explore and express grief in age-appropriate groups.

Parents/Guardians will attend an adult group that runs simultaneously with the children's groups, where they will learn about children's perceptions of loss while having the opportunity to process their own grief.
