**Join families, community members and businesses as a founder of the newly established  
Flemington-Raritan Education Foundation in our kick-off campaign...**

## THE FOUNDING 500

The **Flemington-Raritan Education Foundation** is a nonprofit organization that was established on the conviction that children should have access to a wide variety of resources and learning experiences if we are to truly prepare them as capable, successful learners. With dollars raised through fundraising, FREF awards grants that support creative, innovative and sustainable educational initiatives that supplement and enhance the existing district curriculum for children from pre-K through eighth grade in the Flemington-Raritan School District. Our goal is to provide opportunities, equipment and experiences that would not otherwise be supported by the district budget.

**Become one of only 500 Founders – a limited number of individuals, families, organizations and businesses – to make a \$50.00 donation in the foundation’s first years. Your donation will be utilized solely to support district-wide programs that foster excellence in education. As one of our “Founding 500” you will be making an investment in our children’s education today and for years to come. You will also be recognized for doing so in all FREF outreach and communications, as well as historical references.**

You can donate by using the form below or by going to the district website at <http://www.frsd.k12.nj.us> and clicking on “Education Foundation” (under “Quick Links” or “Community”).
