Superintendent's Report:

On behalf of the Board of Education, the Flemington-Raritan Education Association and our entire District, we are proud to announce, acknowledge and congratulate the Flemington-Raritan Regional School District's 2024-2025 Educators of the Year! Their hard work, dedication and contributions have helped our students grow, learn and achieve. It is because of outstanding staff members, including our Educators of the Year, that our district continues to provide all students with an excellent education and a strong foundation for success. Congratulations to each of this year's recipients.

Also, the Board thanks the Flemington Shoprite for generously donating the flowers for our educators. A special thank you is also extended to the Flemington-Raritan Education Association for partnering with the Board of Education to honor our distinguished staff members.
