DISTRICT STRENGTHS

- Increased proficiency trends in most grade levels in ELA over the last three years
- Increased proficiency trends in most grade levels in Mathematics over the last three years
- Increased proficiency trends in most subgroups/races in ELA over the last three years
- Increased proficiency trends in most subgroups/races in Mathematics over the last three years
- Increased proficiency in written expression and writing conventions in grades 3 and 4
- Consistently at or above state NJSLA proficiency levels in most grade levels

AREAS FOR GROWTH

District

- Continued need for resources to support economically disadvantaged students, special education students, and multilingual learners.
- Continued need to support overall Science proficiency in grades 5 and 8.

Copper Hill

- Lower in ELA/Mathematics average score in grade 3

FAD

- Lower in Mathematical reasoning and modeling in grade 4

RH

- Lower in ELA average score in grade 3

BS

- Lower in ELA narrative writing in grade 4

RFIS

- Lower in ELA/Mathematics average score in grade 5

J.P. Case

- Lower in ELA average score in grade 7
- Lower in ELA average score in grade 8

GOALS/INTERVENTIONS FOR 2024-2025

Language Arts

- **Professional Development:** Provide multi-sensory reading training for literacy support teachers.
- **Curriculum Alignment:** Update ELA curriculum to align with NJ Student Learning Standards.
- **Book Club Opportunities:** Offer professional book clubs for teachers to update their knowledge of research-based best practices and improve their understanding of challenging texts.
- **Text Audit:** Conduct a review of classroom libraries and student reading materials to ensure sufficient complex text.
- **Early Literacy Support:** Implement early literacy screenings and interventions to identify and support struggling readers.
- **Decodable Texts:** Purchase decodable texts for elementary schools to aid teaching of early literacy skills.
- **Targeted Interventions:** Use the Just Words program in 5th-6th grade to support struggling readers and offer after-school tutoring and summer programs using grant funds.
- **Data Analysis Improvement:** Continue partnering with building administrators to improve data analysis and monitoring.

GOALS/INTERVENTIONS FOR 2024-2025

Mathematics

- Implementation of Bridges in Mathematics in grades K-5
- Pilot materials in grades 6-8 for Mathematics
- Utilize Bridges in Mathematics intervention program as needed for identified students in math support in K-5

Science

- Selected teachers at JP Case Middle School will be piloting Open Sci Ed in the fall. This open source curriculum has been highly rated and recommended by the NJDOE.
- Focused student Science and Math instruction in the reading and interpretation of graphs and tables.

Multilingual Learners

- Sheltered English Instruction
- K/1st Bilingual Program (FAD)
- Targeted Professional Development for ESL Teachers
- Vamos Kindergarten (Title 1 Funded Transitional Program)
- Data-driven Meetings with ESL Team (MAP, WIDA, NJSLA)
- Title 1 Funded Literacy Coach (FAD/RH)
- Building Family/School Connections (Bilingual Counselor, Secretary)
- Title III Funded ESL Summer Program
- Academic Parent Teacher Team Nights (Title 1 Funded)
- Rosetta Stone Pilot at J.P. Case in ELA
